**PETITION UNDER 37 CFR § 1.182 TO CORRECT TERMINAL DISCLAIMER**

Dear Sir:

Applicants hereby request withdrawal of the Terminal Disclaimer filed on September 23, 2008 and entry of a corrected Terminal Disclaimer listing the proper owners of the instant application.

The instant application is a Divisional application of US Patent No. 6,719,972 and is subject to the assignments filed in the parent patent. The Terminal Disclaimer filed on September 23, 2008 in the instant application incorrectly listed the owners as Dana-Farber Cancer Institute and Repligen Corporation based upon an Assignment having Real/Frame 007143/0478 and 007142/0080, respectively. An Asset Acquisition Agreement having Real/Frame 020940/0628 transferred ownership from Repligen Corporation to Genetics Institute, Inc.

Applicants have also filed a name change amending Genetics Institute, Inc. to Genetics Institute, LLC with the Assignment Branch of the USPTO for the parent patent, US Patent No. 6,719,972. Accordingly, Applicants submit herewith a replacement Terminal Disclaimer by the correct owners, Dana-Farber Cancer Institute, Inc. and Genetics Institute, LLC. Applicants

submit that the replacement Terminal Disclaimer satisfies the common ownership provision of 37 C.F.R. § 1.321(c)(3) with regard to the parent patent, US Patent No. 6,719,972.

The fee required under 37 C.F.R. § 1.17(f) for this petition has been paid electronically. Applicants authorize the Commissioner to charge any other fee required by the filing of this paper to **Deposit Account No. 06-1448, Ref. WYS-020.02.**

Respectfully submitted,

Dated: February 20, 2009
